Sir,

I have the honor to submit as follows the report called for in your Nos. as per margin.

2. The name of Chandrashékharaya of the Kollégal Taluk which is appended to the petition received with the above appears to be a pseudonym, as no man of that name has been found either in Mysore city or on Chamundi Hill. His principal allegation is that the Car of Chamundesvari on the Hill was pushed back by the Parpatyagar, contrary to the shastras and precedent, on its course at the annual Car festival on 18th October last. What really occurred on the occasion and which is known to all was that in rounding a corner, where there is a slight slope,

dy 20th Oct. 1902 addressed to H.H. the Maharaja, by one Chandrasekhariah of Kollegal complaining that during the ~~Car~~ Car festival of the Sri Chamundeswari on the Chamundi Hill at Mysore, on the 18th Oct. 1902 the Parpathegar of the temple had the car pushed back contrary to Shastras.

And,

Letter No. 74 dated 26th Nov. 1902, from the Palace Controller, Mysore, stating that the name of Chandrasekhariah appears to be a pseudonym, that what really occurred on the

occasion and which is known to all was that in rounding a corner, where there is a slight slope, the car was dragged somewhat out of the straight, and had to be slightly turned back to face the course, that the occurrence is by no means uncommon, that no sinister motives can be imputed to any one, and that the allegations against the Parpatteyar are unfounded, and that no blame can be attached to him in the matter. ~~[illegible]~~
